You're Making a Difference for Michigan's Children

Michigan's Children's Trust Fund (CTF) is the state's leader in the prevention of child abuse and neglect. Our mission is to serve as a voice for all children and families to promote their health, safety and welfare.

The Children's Trust Fund supports efforts that develop a community response to child abuse and neglect through public awareness, information dissemination, training and technical assistance, research, and the funding of local community programs and services.

By making a donation on the Michigan state income tax form to the Children's Trust Fund, your dollars go back to communities to keep kids safe.

Since 1982, Children's Trust Fund has raised more than \$80 million to support prevention programs and services in communities across the state, positively touching the lives of more than 8 million children and families.

Every dollar you donate makes a difference in the life of a child in Michigan.

Thank you for putting your money where your heart is ... KIDS!

Prevention is the most cost-effective and nurturing way to protect the children in our state from the damage that is caused by child abuse and neglect. With your generous support, you are directly funding programs in your community that bring the most vital prevention services to families.

CTF dollars support 71 local councils, which serve 81 of Michigan's 83 counties. In addition, CTF provides grant funding to direct-service programs across the state.

Some of the direct-service programs made possible by your generous gift include:

- **Teen Parenting Support Programs**
- **Early Childhood Development Awareness Programs**
- **Parent Education**
- **Respite Care**
- **Referral Services**
- **Home Visitation**
- **Public Awareness Campaigns, such as "Never Shake a Baby" and "We Love Our Kids"**
